ABOUT STONEWALL RESOURCES LIMITED

Stonewall Resources Limited (ASX: SWJ) is a gold development company that holds a range of prospective gold assets in a world-renowned South African gold mining region. These assets include several surface and near-surface high-grade gold projects, provide cost advantages relative to other gold producers in the region.

Stonewall's core project is TGME, located next to the historical gold mining town of Pilgrims Rest, in Mpumalanga Province, some 370km east of Johannesburg by road or 95km north of Nelspruit (Capital City of Mpumalanga Province).

Following small scale production from 2012 – 2015, the Company is currently focussing on the refurbishment of the existing CIL plant and nearby mines with the intention of resuming gold production. The Company aims to build a solid production platform to over 100kozpa based primarily around shallow, adit-entry hard rock mining sources. Stonewall has access to over 43 historical mines and prospect areas that can be accessed and explored.
